May 28th, 2020 - i just finished reading terryl givens the book of mormon a very short introduction a recent addition to oxford university press s wildly successful vsi series it gives 125 informative pages on the content structure origin and reception of the book of mormon the book does a fair job of balancing peting views no easy task for such a controversial subject'

'4 the book of mormon as literature very short introductions

may 29th, 2020 - the book of mormon has less literary renown than the bible as its military political clan chronicle format leaves less room for literary embellishment the book does have a greater degree of editorial input resulting in a tighter narrative the editor is also able to unfold a tragic history

throughout the book the lack of a liturgical function for the book in mormon worship reduces the need'
