**5 poems about fishing poems about our  
wonderful world**

may 30th, 2020 - those that like it love and

those that don't cannot get their head around it

fishing is one of the most polarizing past times

going and non fishers can find it very difficult to

---

---

appreciate the attraction however talk to those that love to fish and you'll see it's far more than a past time it's a way of life for most fishing is not about the need to eat but the need for inner

**'waiting for the past the saturday paper**  
may 27th, 2020 - waiting for the past his first book since taller when prone contains poems that must surely rank among his finest where a number of the latter were overburdened by obsessive fact and curio collecting these new works contain a wide range of subject matter and almost all have been cut back to their essence to reveal an essential core'
