constructionism organisation**

june 3rd, 2020 - the social constructed
reality provides the backdrop for the
culture and anisational traditions that
make up the way things are done around
here the reality of what is isn t at play
but rather the representations
perceptions ideas language and beliefs
that make up the perceived concrete
reality of the anisation'

' the construction of social reality searle john r

June 1st, 2020 - in the construction of social reality eminent

philosopher john searle examines the structure of social

reality or those portions of the world that are facts only by

human agreement such as money marriage property and government

human agreement searle shows that brute reality provides the indisputable foundation for all social reality and that social reality while very real is maintained by nothing more than custom and habit'
